

# CATHEDRAL VOICES

BOX 13067 • JACKSON, WY • 83002

*a voice for musical excellence in our community*

Cathedral Voices has been sharing some of the finest classical and contemporary vocal music in our valley since 2003. We are passionate about:

- exposing our local community to extraordinary musical opportunities
- building the vitality of our community through experiences that are inspiring and innovative
- mentoring young singers in their music education and growth
- providing an important outlet for local musicians—the amateur and professional—to share their talents
- increasing harmony and civility in community—through the power of music

We rely upon the generous support of our donors, business sponsors, and volunteers to offer a diverse series of concerts and education programs. Your support makes all the difference!
